

'being your trade ambassadors in a global market place'

GOLDBERG
ASSOCIATES LIMITED

What is Goldberg Associates Limited?

Goldberg Associates Limited is an International Trade Consultancy Company based in London, United Kingdom and its main purpose is to facilitate International Trade.

Our Mission

Our mission is “being your trade ambassadors in a global market place”

Through our dedicated and experienced research teams, we act on our client’s instructions and work to help them achieve the best International Business deal/s possible.

What do we do?

We facilitate International Business Transactions. We act as a bridge which brings together International/global suppliers of goods & services to transact with International/global customers of goods and services. We stand in the middle and charge fees & commissions on the successful conclusion of any transaction/s.

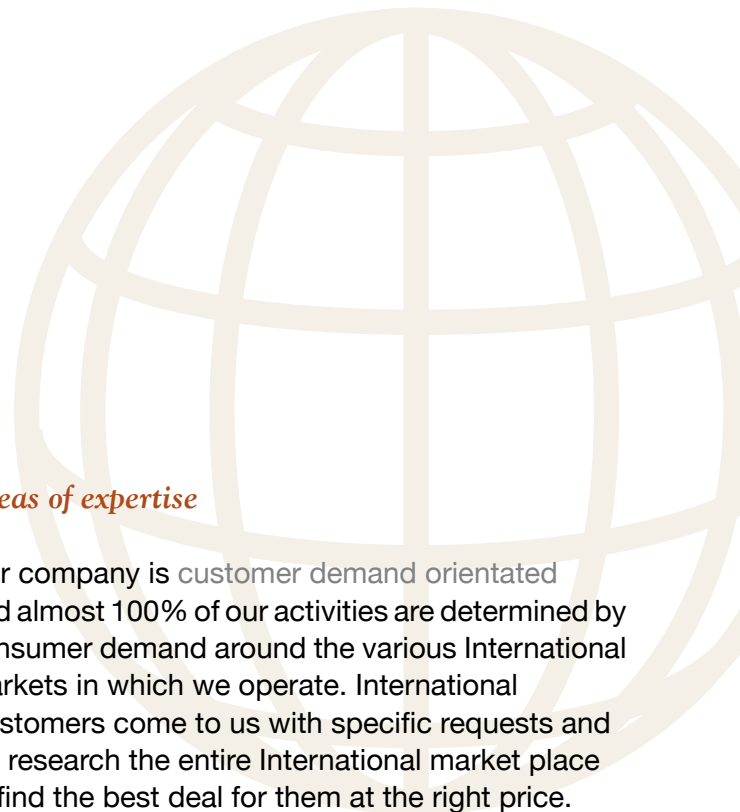

Our main objectives

Our key main objectives are:

- To Facilitate International Business Transactions
- To Facilitate Foreign Direct Investment into Developing & Emerging Markets of the world
- To Facilitate the penetration into new International Export Markets
- To Facilitate and Champion Free & Fair Global Trade

Import & Export | Huge Capital Project Financing | International Market Research

Areas of expertise

Our company is customer demand orientated and almost 100% of our activities are determined by consumer demand around the various International Markets in which we operate. International Customers come to us with specific requests and we research the entire International market place to find the best deal for them at the right price.

In our trading history we have helped clients by:

- Facilitating the Financing of Huge Capital Projects
- Facilitating the Financing of Housing & Commercial Building Projects
- Facilitating the Importing of Heavy Duty Mining Equipment
- Facilitating the Importing of Plant & Machinery
- Facilitating the Financing of Mineral & Oil Exploration in Developing Countries
- Facilitating the Exporting of Raw Materials & Essential Commodities
- Facilitating the Financing of Small, Medium and Large Scale Manufacturing Projects
- Facilitating the Marketing & Branding of various Developing Countries Tourism Initiatives
- Facilitating the Import of Goods & Services from Developed or Emerging economies to Developing Countries
- Facilitating the Patenting & Registration of Intellectual Property
- Facilitating the Financing & Acquisition of New Information Technology

The above list is not exhaustive and we keep on adding to it as the projects come our way.
